

Certified Safety & Health Official Certificate Program

Application

A Certified Safety and Health Official Certificate in Construction or General Industry is awarded to candidates who successfully complete the core and elective requirements listed by area of specialty. **All courses applied toward the CSHO Certificate Program must have been taken within five (5) years of completion date.** Please complete the application page and email to OSHAed@keene.edu or fax to 603-645-0080.

NOTE: In order to complete the CSHO, participants MUST become Outreach Trainers (through the completion of course 500/501) visit our OSHAedNE.com for details on becoming an OSHA Authorized Outreach Trainer.

Please complete this application form and return to:

**OSHA Training Institute Education Center
1050 Perimter Rd., Suite 202
Manchester, NH 03103
or fax: 603.645.0080**

Approved courses may be applied from any OSHA Training Institute Education Center in the United States **completed within five years prior to completion date.** Up to six (6) OTI Education Center **transfer courses** (from other OTI Education Centers) may be applied to each certificate program. (Trainer courses -OSHA #s 500, 501, 5400, 502, 503, 5402- must have been completed within the previous four years)

A \$95.00 **non-refundable** application fee for each certificate program in which you are enrolling **must accompany this initial application form.** Please make checks payable to **Keene State College.**
