Businesses are Changing Lives Through the Workplace:

Untreated addiction costs New Hampshire's economy \$2.36 Billion. 66% of that cost (\$1.5 Billion) is incurred by businesses in the form of impaired productivity and absenteeism. Led by Governor Chris Sununu, New Hampshire's "Recovery Friendly Workplace Initiative" (RFWI) promotes individual wellness for individuals by empowering workplaces to provide support for people recovering from substance use disorder.

The Recovery Friendly Workplace Initiative gives business owners the resources and support they need to foster a supportive environment that encourages the success of their employees in recovery. There are currently 93 business participating in the RFWI in the State. This initiative will provide businesses, trade organizations, healthcare professionals, and others with information, guidance, and access to training resources to help protect workers by raising awareness of physical well-being and mental health issues related to substance use disorders in the community and workplace. <https://www.recoveryfriendlyworkplace.com/>

Storrs Street runs parallel to Main Street, on its eastern side. Red River Theatres' entrance can be accessed from the parking garage on level L1.

To reach Storrs Street from North Main Street, turn left onto the Pleasant Street Extension (1/2 block north of the theater). At the bottom of the hill, turn right and the garage will be immediately to your right.

The Parking Garage has Parking Kiosks that are similar to the ones in Downtown Concord. The garage is enforced Mon – Fri from 8 AM – 7 PM, at a rate of \$.50/hr. Mon – Fri after 7 PM and weekends are Free.

When parking in the garage, there is public parking only on the first two floors of the garage. All other spots are reserved. If a spot is marked as reserved, you will not be able to pay for the spot and you may receive a ticket. If you have questions about the parking garage, please give us a call at 603-224-4600, or reach out to the City of Concord Parking Enforcement at 603-225-8640.

Paying for Parking in the Garage: When you pull into a parking spot in the garage note the number marking that designated spot. This number will be entered into one of the parking kiosks located near the exits of the garage. After entering your number into the Kiosk you will press #. Then you will have the option of paying for your spot. The Kiosk accepts two methods of payment: a Credit or Debit Card (Visa or Master Card) and change (Cash is not accepted).

Credit or Debit Cards – Insert your card according to diagram depicted on Kiosk, remove card quickly and the Kiosk will take a moment to register the card. After it registers the card it will allow you to hit one of three designated buttons to allot time to your parking space. There is a \$.50 button, a \$1.00 button, and a Max button. Remembering that it is \$.50/hr you will enter the estimated time that you will be staying in the garage, the Kiosk automatically charges a \$1.00 which is 2 hours (only when paying with a card) keep this in mind when adding time to your spot. After doing so you will press the print receipt button. This is your receipt (which does not need to be placed on your dashboard).

Change – \$.50/hr, enter the amount of change that will cover the time you will be in garage. When finished press print receipt button. This is your receipt (which does not need to be placed on your dashboard).
